## Dream Center Academy Parent Notes

**8th Grade Family Night (Nov. 5th)** - Dream Center Academy is hosting an educational event on the topic of Sex and what that conversation may look like in your home. This is an event for **8th-grade parents with a follow-up session for students at the Academy.** We are excited to partner with the Gaston County Health Department to put on this event for you through Zoom. They will have a Spanish Interpreter that will have a breakout session for our Hispanic families. The event will be virtually and the zoom info is Meeting ID: 628 047 8373 Passcode: DCA2020

## Season of Gratitude & Giving

**November 17th Thank you Teachers-** Every November, we take the opportunity to say Thank you To Teachers. Baskets will be made on Nov. 17th, and we are asking families to donate a dollar for us to create Thank You Teacher Baskets for the teachers at your students' schools. Help us say thank you to the teachers that are doing their best in a very unique school year for all of us. The last day to bring in a dollar will be November 13th. We will plan to deliver baskets to your students' teachers on Nov. 24th and 25th. Thank you for helping us Thank them.

Our mission is to serve students well, and we believe that includes serving families well. We always want to have resources available for families - resources to engage in their students learning and to help our families in times of need. This year we will have a **Dream Center Food Pantry** to serve our Dream Center Community. If you have any questions about getting groceries from the Dream Center Food Pantry or donating to our food pantry to help serve our Dream Center community, contact Ms. Lacy
